# How Did I Do?

## Writing genre: Research Report

1. Is your research report interesting to others?

2. Did you use more than one source for information about your topic?

3. Does your research report contain information written in your own words?

4. Did you use enough facts in your research report?

5. Did you use exact nouns in your report?

6. What part of your research report did you like best?

7. Are there any parts of your research report that you would change?
